Ambient Solutions

Cold Move can now offer fully managed Ambient Warehousing Solutions, including Container De-stuffing, Case Picking, Rework/Relabelling, using a Warehouse Management System that will both track stock and report on it via a 'real time' web portal.

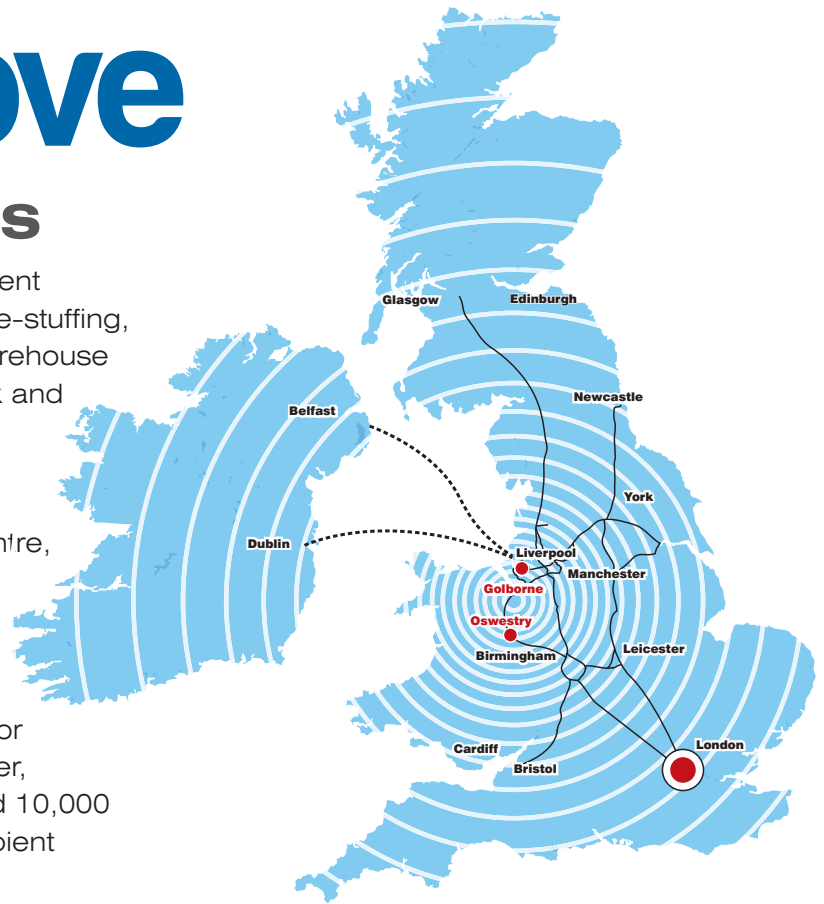

Location - **Golborne**

A modern 200,000 square foot distribution centre, only 1.5 miles from major UK motorway system giving easy access to all major retail and wholesale distribution centres.

This site has 2500 racked locations available for Seasonal Ambient Storage from 1st September, rising to 5000 locations by the 1st October and 10,000 locations by mid November. All Seasonal Ambient Storage must be off site by 25th December

Location - **Oswestry**

The site has been developed over the last 40 years and is situated just off the A483 in Shropshire. The site offers a stand alone Ambient Chamber fully racked with 2500 pallets spaces. This facility is available year round.
